

# How to Manage Your Waste from Home

## Household Waste Collection Service

This includes as a minimum a recycling and residual waste collection service where waste is collected from the door. It is illegal to dump household recyclables, organic waste or residual waste. Please:

- Ensure you have a waste collection service
- Place your bin out on the correct collection day and remove once emptied.

The following is a list of household waste collection service providers operating in Limerick:

- AES: 0818 650 655 /045 580060 • [www.aesirl.ie](http://www.aesirl.ie)

This list is not exhaustive and is subject to change – a full list of Waste collection Service Providers can be found on <http://www.nwcpo.ie>

## TOP TIPS

- 3 lifestyle rules: Reduce | Reuse | Recycle
- Talk about ways of reducing waste
- Mend and repair • Stop wasting food
- Go shopping with a list
- Avoid disposable packaging

## Dispose of Food Waste Correctly, USE:

- A brown bin or
- A home compost or
- Where a brown bin is not provided in the general waste/landfill bin

If you live in a population area of greater than 1,500 or your collector provides you with a brown bin you must dispose of your food waste in the brown bin provided or alternatively home compost your food waste. All other householders should compost their food waste or if this is not feasible food waste may be placed in the general/landfill bin.

## Check out Recycling Options

- Use your Recycling bin – check with your waste collection provider regarding the materials accepted
- <http://www.limerickrecyclingcentres.ie> – wide range of material accepted
- Bring Banks for glass, cans and textiles recycling
- WEEE and Household Batteries accepted Free of Charge at Recycling Centres
- Paint Re-use Scheme available at Mungret Recycling Centre
- Green waste can be brought to three Recycling Centres in exchange for compost product (soil conditioner)
- Reuse facility available at Mungret Recycling Centre
- Book Trade Scheme also available at Mungret Recycling Centre
- Pass on goods you no longer use on <http://www.freetradeireland.ie>
- Compost garden and kitchen waste for reuse in the garden

## Limerick Recycling Centres

The Limerick Recycling Centres are primarily for Limerick householders to recycle their waste. Commercial customers can also avail of these centres but commercial charges apply. The centres accept a wide range of household material which is suitable for recycling. List of materials available from <http://www.limerickrecyclingcentres.ie>
