Re: Report on the Proposal to publish the Draft Limerick City and County Council (Control of Horses) Bye-Laws 2017 to replace the Limerick City and County Council (Control of Horses) Bye-Laws 2015 in order to regulate sulky racing on public roads.

I attach herewith the Report of the Physical Development Directorate on the Draft Limerick City and County Council (Control of Horses) Bye-Laws 2017. These draft bye-laws are set out in Appendix C of the attached report. The changes to the Limerick City and County Council (Control of Horses) Bye-Laws 2015 are set out in red. The intention of the 2017 draft bye-laws is to give the Gardai greater powers to deal with sulky racing on the road network.

The power to make these bye-laws is a reserved function of the Full Council. Prior to submission to the Full Council for adoption, the draft bye-laws must be published and a public consultation period must be undertaken. The publication of the draft bye-laws requires the approval of Members of the Municipal and Metropolitan Districts.

Subject to the approval of the Members, a public consultation period will commence. During this period written submissions in relation to the draft bye-laws may be made in writing to the Council. The submissions received will then be collated in a report for consideration by the Municipal and Metropolitan Districts. Any comments and observations of Members will be noted for consideration in the final report. The final report will be prepared and presented to the Full Council for consideration for the adoption of draft bye-laws.

Accordingly, in accordance with section 199 and Schedule 14A Part 1 of the Local Government Act 2001 (as amended) I hereby seek the approval of the Metropolitan District of Limerick City to the publication of the Limerick City and County Council (Control of Horses) Bye-Laws 2017.

Introduction

The issue of unregulated sulky racing on public roads in Limerick has been a matter of considerable concern to Members of the Council, Gardai, and the public for some time. Accordingly, it is now proposed to amend the Limerick City and County Council (Control of Horses) Bye-Laws 2015 with a view to regulating sulky racing on public roads in Limerick.

Initial Proposal

By letter dated the 23rd August 2016 Garda Inspector Paul Reidy explained that there had been a number of incidents where motorists and other road users had been put in danger by sulky racing on public roads. In addition, he highlighted that sulky racing was also leading to animal welfare issues, and dangers arising from the congregation of spectators and passengers leaning out of cars. He expressed the view that current legislative measures are not sufficient to deal with the issue of sulky racing.

Inspector Reidy stated that Kilkenny County Council has adopted Control of Horses bye-laws to regulate sulky racing. He explained that the Kilkenny bye-laws make it an offence for any person to participate in or engage in a race of a horse drawn vehicle. He requested that Limerick City and County Council consider making similar provision through the amendment of the Council's current control of horses bye-laws.

Power to make Bye-Laws

The power to make, revoke or amend the Limerick City and County Council (Control of Horses Bye-Laws 2015 is laid down in the Control of Horses Act 1996 (as amended) and Part 19 of the Local Government Act 2001 (as amended). This function is a reserved power of the Full Council.

Travel and Transportation Strategic Policy Committee Recommendation

At the Meeting of the Travel and Transportation Strategic Policy Committee held on the 5th December 2016, following a presentation from Garda Inspector Reidy, the Committee recommended that the Limerick City and County Council (Control of Horses) Bye-Laws 2015 be amended to regulate sulky racing on public roads.

At the Meeting, Garda Inspector Paul Reidy offered the view that legislation such as the Control of Horses Act 1996 (as amended), the Roads Act 1993 (as amended) and the Animal Health and Welfare Act 2013 (as amended) fall short of what is required to deal with complaints of sulky racing on the roadways.

The Committee agreed that sulky racing on the public roads needs to be regulated and recommended that the Council should initiate a process by which the current bye-laws are amended to address the issue.

Full Council Recommendation

At the Meeting of the Full Council held on the 23rd January 2017 the Council approved the recommendation of the Travel and Transportation Strategic Policy Committee that the current Limerick City and County Council (Control of Horses) Bye-Laws 2015 be amended to regulate sulky-racing on public roads.¹

Public Consultation Period

Draft Bye-Laws have been prepared and these are set out in Appendix C of this report. The Draft Limerick City and County Council (Control of Horses) Bye-Laws 2017 will readopt all the provisions of the Limerick City and County Council (Control of Horses) Bye-Laws 2015 with the inclusion of an additional provision to regulate sulky racing. This additional provision is as follows:

"Prohibition on Racing Horse Drawn Vehicle on Public Roads

11.

- a) *No person under the age of 16 years of age, either directly or indirectly, shall participate in or engage in a race of a horse drawn vehicle on a public road within the City and County of Limerick.*
- b) *Subject to Bye-Law 11(c), a person, either directly or indirectly, as a spectator or otherwise whether that person is on foot or not on foot, or whether that other person is in or on a mechanically propelled vehicle, shall not participate in or engage in a race of a horse drawn vehicle regardless of whether such participation is either active or passive, on a public road within the City and County of Limerick.*
- c) *Bye-law 11 (b) shall not operate to prevent a race of a horse drawn vehicle on a public road within the City and County of Limerick for which permission has been obtained pursuant to Section 74 and 75 of the Roads Act, 1993."*

This proposed provision is contained in section 11 of the Draft Limerick City and County Council (Control of Horses) Bye-Laws 2017. These draft bye-laws are set out in Appendix C of this report.

Subject to the approval of the Municipal and Metropolitan Districts it is intended to publish the Draft Limerick City and County Council (Control of Horses) Bye-Laws 2017 on a specified date. The draft bye-laws will then remain on public display for a period of one month. During

this time and for 7 days thereafter submissions in relation to the draft bye-laws may be made in writing to the Council at a nominated address.²

Public Consultation Report

Once the public consultation phase has been completed the Council will prepare a Public Consultation Report detailing all submissions received. The Public Consultation Report will then be brought before the Municipal and Metropolitan Districts for consideration.³ Any comments and observations of Members will be noted in the final report that will be presented to the Full Council.

Presentation to Full Council for Consideration and Adoption

A final report will be presented to the Full Council for consideration. This report will detail all written submissions received during the public consultation period. The report will also contain any comments or observations made by the Members at the District Meetings where the public consultation reports were presented.

The Full Council, in accordance with its powers under Part 19 of the Local Government Act 2001 (as amended) and the Control of Horses Act 1996 (as amended) , will be asked to consider the Draft Limerick City and County Council (Control of Horses) Bye-Laws 2017.

If adopted the bye-laws would come into effect on a specified date.

RE: Sulky racing on the roads network in Limerick City & County.

Dear Mr McDermott,

Over the past number of years there have been incidents occurring on the roads network both in Limerick City and County whereby motorists and other road users are put in danger by sulky racing. Sulky racing is traditionally associated with the Travelling Community. Unfortunately the practice is reckless and extremely dangerous.

There is little or no regulation present which specifically deals with the issues surrounding sulky racing on our roads. Legislation such as the Control of Horses Act, 1996, Roads Act, 1993 and Animal Health and Welfare Act 2013 fall short of what is required when dealing with complaints of Sulky racing on the roadway's.

We are all familiar with the practice of sulky racing and there can be little doubt the practice puts at risk the lives of those participating in the racing itself, those observing and attending such events and also the safety of other road users.

Unfortunately the practice of sulky racing can involve some if not all of the following practices which occur on our roads network:

- Large numbers of spectators gathered at stretches of roadway where the racing is taking place which forces general traffic to slows down and sometimes come to a halt.
- Spectators involved with the sulky racing event driving two abreast after the sulky race preventing general traffic from overtaking.
- Passengers in these spectator vehicles often leaning out of the travelling vehicles, often sitting on the door frame and shouting encouragement to participants and sometimes videoing the race.
- Unnecessary suffering caused to horses involved in the sulky racing and what would appear in many cases to be a total disregard for animal welfare.

To achieve the highest attainable level of Personal Protection, Community Commitment and State Security.

- Participants who engage in this practice, including the driving of sulkies can often appear to be children under the age of 16 years. This is totally reckless and extremely dangerous to themselves and others present.

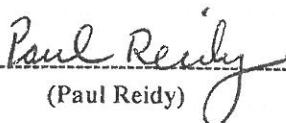

Kilkenny County Council have enacted Bye-Laws specifically tailored to deal with the issues of Sulky racing on the road network in County Kilkenny. Attached find copy of same. The Bye-Laws make it an offence for any person to participate in or engage in a race of a horse drawn vehicle on a public road within the county of Kilkenny. Paragraph 11, Kilkenny County Council Bye-Laws 2015.

I have also attached copy of The Kilkenny People newspaper article which outlines the introduction of the Bye-Laws along with two articles from the "Journal.ie" featuring incidents which have been reported on in the past.

It is requested that you might give consideration to the implementation of similar Bye-Laws within Limerick City & County. It is expected that such Bye-Laws would strengthen the hand of both the Council and An Garda Síochána in preventing such reckless and dangerous practices from occurring on our roads.

An Garda Síochána's primary focus is to make our roads safer for road users and to prevent incidents which have the capacity to cause serious injury collisions and even road fatalities.

For your consideration, please.

Mr Kieran Lehane
Director of Services
Limerick City & County Council.

RE: Introduction of Bye-Laws to Prevent Sulky Racing on the Roads Network in Limerick City & County.

Dear Mr Lehane,

Following on from the Travel & Transportation Strategic Policy Committee Meeting on the 5th December 2016 I have scrutinised the Kilkenny County Council Control of Horses Act 1996 Bye-Laws 2015 with a view to ascertaining their usefulness towards drafting of Bye-Laws for Limerick City & Council.

Overall the Bye-Laws appear to have all the necessary elements required. However I would recommend some amendments, which in my view would give greater power to Gardai dealing with such incidents to deal with all persons present at such events, who are actively or passively participating in the event.

Suggested amendments to Current Kilkenny Bye-Laws.

Hereunder outlines Section 11 (a), (b) and (c) of the Kilkenny Bye Laws which are currently enacted in Kilkenny.

RACING OF HORSE DRAWN VEHICLES ON PUBLIC ROADS

- 11 (a) No person under the age of 16 years of age shall participate in or engage in a race of a horse drawn vehicle on a public road within County Kilkenny.
- 11(b) Subject to Bye-Law 11 (c), a person shall not participate in or engage in a race of a horse drawn vehicle on a public road within the County of Kilkenny.
- 11(c) Bye-Law 11 (b) shall not operate to prevent a race of a horse drawn vehicle on a public road within County Kilkenny for which permission has been obtained pursuant to Sections 74 and 75 of the Roads Act, 1993.

Hereunder are the proposed changes amendments to Section 11 (a), (b) and (c) which I propose the Council adopt, which in my view will strengthen the hand of An Garda Síochána when enforcing these Bye-Laws and it will in my view hold **all participants, and including participating motorists and bystanders equally accountable.**

RACING OF HORSE DRAWN VEHICLES ON PUBLIC ROADS

- 11(a) No person under the age of 16 years of age, **either directly or indirectly,** shall participate in or engage in a race of a horse drawn vehicle on a public road within county Limerick.
- 11(b) Subject to Bye-Law 11(c), a person, **either directly or indirectly, whether that person is on foot or not on foot, or whether that other person is in or on a mechanically propelled vehicle,** shall not participate in or engage in a race of a horse drawn vehicle **regardless of whether such participation is either active or passive,** on a public road within the County of Limerick.

An leibhéal insroichte is airde a bhaint amach maidir le Cosaint Phearsanta, Tiomantas don Phobal agus Slándáil Stáit
To achieve the highest attainable level of Personal Protection, Community Commitment and State Security.

- 11(c) Bye-law 11 (b) shall not operate to prevent a race of a horse drawn vehicle on a public road within County Limerick for which permission has been obtained pursuant to Section 74 and 75 of the Roads Act, 1993.

Any references to Kilkenny should be amended to Limerick.

Suggested addition to definitions in current Kilkenny Bye-Laws.

“Mechanically propelled vehicle” means, a vehicle intended or adapted for propulsion by mechanical means, including-

- (a) A bicycle or tricycle with an attachment for propelling it by mechanical power, whether or not the attachment is being used,
- (b) A vehicle the means of propulsion of which is electrical or partly electrical and partly mechanical,

But not including a tramcar or other vehicle running on permanent rails.

Recommendations.

Attached are the:

1. Copy of Kilkenny County Council Control of Horses Act 1996 Bye-Laws 2015

I am forwarding the attached copy Bye-Laws to which I propose are amended as outlined for consideration as to suitability for implementation.

As it is the role and function of the Council to draft and enact Bye-Laws, I request that you give consideration to the adoption of these Bye-Laws with whatever further amendments or additions that you may feel are necessary and appropriate.

For your consideration, please.

DISPOSAL OF DETAINED HORSE

13. Where the Council or the Superintendent decides to dispose of a detained horse it may do so by way of sale, destruction or re-homing.

DISPOSAL OF DETAINED HORSE(S) PURSUANT TO SECTION 39(2)(F) OF THE ACT

14.

- (1) Where the Council or the Superintendent decides to refuse to release a detained horse because it or he or she, as the case may be :
- (a) is not satisfied that adequate accommodation and sustenance, or if detained under Section 37(2) of the Act adequate veterinary attention, will be provided for the horse or:
 - (b) or has reason to believe the horse will be cruelly treated and has decided to dispose of the horse, its disposal may be by way of sale, destruction or re-homing.
- (2) Where it is proposed to dispose of a horse under this Bye-Law the Council or the Superintendent shall send a notice in writing as set out in Form 3 of Schedule A to the owner or keeper (whose whereabouts is known or can be readily found) of the horse, stating the reason or reasons for the refusal to release the horse and that at any time at the expiration of 5 days from the date of the notice, or such longer period as may be stated in the notice, it is proposed to dispose of the horse and that the owner or keeper may within that period make representations to the Council or the Superintendent, as the case may be, against the proposal.
- (3) Where a horse has been disposed of under this Bye-Law by way of sale, the Council or the Superintendent shall retain out of the proceeds of sale an amount equivalent to all costs, fees and expenses of any kind in relation to the horse, incurred by the Council or the Superintendent in relation to the seizure, detention and disposal of the horse and any balance shall be remitted to the keeper of the horse if known, or if unknown shall be retained by the Council.

- (4) Prior to the Council or the Superintendent deciding to dispose of a horse under this Bye-Law they shall firstly consider any representations that may have been made to it or him or her in writing by the owner or keeper.

DISPOSAL OF HORSES DETAINED ON THREE OR MORE OCCASIONS

15. (1) On the disposal of a horse under section 40 (1) of the Act, the Council or a Superintendent may recover from the owner or the keeper of the horse all pound fees payable in respect of the horse, together with all or any other costs and expenses, including fees for seizure, detention, keep, maintenance, care, sustenance, disposal, veterinary fees, microchipping, transportation and administration fees incurred by the Council or the Superintendent.
- (2) Where it is proposed to dispose of a horse under section 40 (1) of the Act the Council or the Superintendent:
- (a) shall display a notice as set out in Form 1 of Schedule B or such similar Form as the Council may from time to time decide (with such amendment as may appear to be necessary to comply with the provisions of section 40 (3) of the Act) publicly at the place where the horse is detained, at the Corporate Headquarters, Merchants Quay, Limerick, and at the Pound or place where the horse is detained and on the Council's website www.limerick.ie as soon as possible and
