Dear Mr. O'Callaghan,

Thank you for your recent letter to the Minister for Education and Skills, Mr. Richard Bruton TD in relation to traffic calming measures outside schools in the Municipal District of Adare-Rathkeale.

The issue of road safety measures outside the vested site areas of schools on public roads, such as those mentioned in your letter, is a matter for the relevant Local Authority. As the Department has no function in this matter, it has no budget for such works.

In the circumstances, I regret that the Minister cannot be of help to the Members of your Municipal Authority on this occasion.

Yours sincerely,

Sean Tansey
Private Secretary
