RE: DEVELOPMENT FUND ALLOCATION 2015

The Members will recall during discussion on GMA proposals that Development Fund allocations for 2015 were indicated to be of the order of €30,000.

On this basis, it was agreed at the March Municipal District Meeting that this would be allocated as follows :

Bruff – Sycamore Drive footpaths €20,000
Traffic Calming Murroe/ Caherline €10,000

At the full Council Meeting in May, a breakdown of Development Fund allocations was provided.

It now transpires that the actual allocation for each district is €40,000, so there is provision for additional expenditure of €10,000.

At the November Cappamore-Kilmallock Municipal District Meeting, Members approved proposals to change junction priority at Cloghadoolarty Junction, Fedamore. The estimated cost of the proposed works is €10,000.

I recommend that €10,000 from the Development Fund be allocated to Cloghadoolarty Junction, Fedamore.
