

LIMERICK CITY AND COUNTY COUNCIL
MUNICIPAL DISTRICT OF NEWCASTLE WEST
MEETING TO BE HELD ON WEDNESDAY 2nd MARCH, 2016

Notice of Motion submitted by Councillor J. Scanlan

I will move at the next Meeting that Transport Infrastructure Ireland be requested to survey traffic flow at three pinch points, namely, Bridge Street, Newcastle West, Boherbui, and Sheahan's Road junctions with the N21 with a view to placing mini roundabout systems at each location so as to enable the smooth flow of traffic, locally.

REPLY:

The Council is in continual and ongoing discussion with Transport Infrastructure Ireland relating to the traffic situation in Newcastle West and the need to look at junction improvements. In addition to the junctions mentioned, Lacey's Cross (Foynes Road Junction) is also high on list of schemes for consideration, all of which recently have been re- tabled as priorities for Limerick City and County Council.

REPLY:

The two items requested for maintenance /repair works were – clean up of the Republican Plot and maintenance works in the cark-park.

I want to confirm that the Council will arrange for a clean up of the Republican Plot in advance of the dawn Mass on Easter Sunday. Unfortunately, the Council does not have resources to carry out repairs to the car park.
