

## **Limerick City and County Council**

### **Metropolitan District of Limerick**

**Meeting to be held on Monday, 20<sup>th</sup> June, 2016**

#### **Notice of Motion submitted by Councillor Joe Leddin**

I will move at the next Meeting that Limerick Metropolitan District introduce appropriate By-Laws to standardise the design of signage placed by retail and business owners in Limerick City so as to prevent the placement of unsuitable signage at the front of various businesses and shopfronts.

#### **Reply:**

The Limerick City Development Plan sets out standards in relation to signage and advertising on buildings. In general advertising on buildings should conform with the following:

- Be sympathetic in design and colour both to the building on which the signage will be displayed and the surrounding buildings etc.
- Not obscure architectural features such as cornices or window openings.
- Illuminated signs or other advertising structures will not be allowed above the eaves or parapet level on buildings in any part of the City.
- Shop front advertising should be designed as an integral part of the shop front and not left as an afterthought.
- Applications for new, or a change of use of commercial units, will be required to indicate what type of signage is proposed.

**Stephane Duclot  
A/Senior Planner.**

**Limerick City and County Council**

**Metropolitan District of Limerick**

**Meeting to be held on Monday, 20<sup>th</sup> June, 2016**

**Notice of Motion submitted by Councillor Joe Leddin**

I will move at the next meeting that the Council consider the placement of additional temporary bins along the river quays, boardwalks and Arthurs Quay to facilitate locals and tourists who wish to discard their rubbish.

**Reply:**

There are currently 10 bins between Shannon Bridge and Sarsfield Bridge on the Harveys Quay side of the river. There are 7 bins on O'Callaghan Strand and 5 bins on Clancy Strand. These numbers should be adequate to facilitate users in these areas.

Temporary bins would be very difficult to manage in terms of movability and probability of being used for illegal dumping. We will keep these areas under review.

**Tara Flanagan,  
Senior Executive Engineer,  
Operations and Maintenance Services.**

**Limerick City and County Council**

**Metropolitan District of Limerick**

**Meeting to be held on Monday, 20<sup>th</sup> June, 2016**

**Notice of Motion submitted by Councillors Frankie Daly and Michael Hourigan**

We will move at the next Meeting that a strategic plan be developed, in conjunction with the community, to develop the LPYMA Ground into an amenity that will benefit the whole community and address ongoing issues such as anti-social behaviour. This under-utilised resource to be maintained and secured while a long term plan is brought forward.

**Reply:**

The Council will prepare a strategic plan in relation to the LPYMA Grounds in the coming months.

**Gordon Daly  
Director of Service  
Service Operations.**

**Limerick City and County Council**

**Metropolitan District of Limerick**

**Meeting to be held on Monday, 20<sup>th</sup> June, 2016**

**Notice of Motion submitted by Councillor John Costelloe**

I will move at the next Meeting that this Council facilitates a public meeting for residents of Thomondgate and St Mary's Park in relation to the proposed new bridge at the weir.

**Reply:**

The Council will facilitate the meeting as has been sought.

**Pat Dowling  
Director of Service  
Social Development.**

**LIMERICK CITY AND COUNTY COUNCIL**  
**MEETING OF THE METROPOLITAN DISTRICT**  
**MEETING TO BE HELD ON MONDAY 20<sup>th</sup> JUNE, 2016**

**Notice of Motion submitted by Councillor Vivienne Crowley**

I will move at the next Meeting that, before the project is advanced any further, the proposed social housing development in the Rhebogue area be investigated and considered further following several concerns raised by the community.

**Response to Notice of Motion**

Under the Capital Assistance Scheme 'Call for Proposals 2015' Co-operative Housing Ireland were approved for the construction of 21 units in Rhebogue.

Co-operative Housing Ireland met with a number of residents from Drominbeg and Dromroe. The residents were briefed on the management of dwellings in existing estates and communities and informed that a planning application will be lodged in the coming weeks.

Co-Operative Housing Ireland are to provide additional information to the residents and will be holding a public meeting in the coming weeks to discuss the issues and concerns of the residents.
