

**LIMERICK CITY AND COUNTY COUNCIL**  
**MUNICIPAL DISTRICT OF ADARE-RATHKEALE**  
**MEETING TO BE HELD ON WEDNESDAY,**  
**11<sup>TH</sup> MAY, 2016**

**Question submitted by Councillor Richard O'Donoghue**

I will ask at the next Meeting for an update on vacant council properties in the Adare-Rathkeale District, as previously requested, and the findings in relation to utility bills at suspected vacant properties.

There are very few vacant houses in the Adare/Ratkeale Electoral Area. From previous experience, the Council has found utility bills to be of little evidential value. Should members provide details of those properties that they suspect to be vacant/abandoned to the Estate Management Unit, Community Support Services, appropriate investigations will be made.

I will ask at the next Meeting for the current status of the Planning Application by Cadence EnviroPower for the Proposed Gasification Plant at Limerick City and County Council's, Gortadroma Land Fill Site.

**REPLY:**

The Council is not aware of any Planning Application having been made to An Bord Pleanala nor of any application to An Bord Pleanala for a decision as to whether the proposed development would constitute strategic infrastructure development.
