Notice of Motion submitted by Councillor Emmett O'Brien

I will move at the next Meeting for the NRA to attend at our area and explain what their plan is for the installation of traffic route lighting in the vicinity of the Kilcornan primary school and entrance to the Ger McDonnell all-weather playing facility/ Kilcornan Community Centre together with enhanced traffic calming/safety measures at this location.

REPLY:

The issue of traffic calming at this location has been raised with the NRA Safety Engineer. It remains on their list of potential works, but they currently do not regard it as a priority. However, the Council will write to the NRA requesting a meeting with a delegation of Council officials and Councillors on this matter.
