To: The Mayor and Each Member of the Metropolitan District of Limerick

Re: Deputation to Transport Infrastructure Ireland (TII)

The Director of Travel and Transportation, following consultation with the Travel and Transportation SPC, has requested that each District nominate one Member to form part of a deputation to discuss matters of interest with Transport Infrastructure Ireland.

You are requested therefore to select the nominee for the Metropolitan District of Limerick and agree the issues to be raised with Transport Infrastructure Ireland.

Christy O'Connor,
