STRATEGIC POLICY COMMITTEES

A Chomhairleoir, a chara,

As you are aware, the Strategic Policy Scheme was formally adopted by the Council and nominations from the Farming / Agricultural, Business Employers and Trade Union have already been received and approved by the Council.

Correspondence has now been received from the Secretariat of the Public Participation Network (PPN) setting out their nominations to date to Strategic Policy Committees representing the Environment / Conservation, Community / Voluntary and Social Inclusion Sectors. Details of these nominations are attached for your approval.

While the formal appointment of Sectoral Interests to Strategic Policy Committees is a Reserved Function, the Guidelines for Public Participation Networks received with Department of the Environment, Community and Local Government Circular CVSP1/2014 in Section 2.3 state *"The PPN will be the main channel through which people will be selected to participate in various processes of the County / City Councils and their Boards / Committees. Participants will be chosen by the PPN and should not be rejected by the County Council or any of its structures."*

The approval of the Council is hereby sought to the appointment of the persons listed on the attached Table to the Strategic Policy Committees as listed.

Is mise le meas,

Christy O'Connor,
Senior Executive Officer,
Corporate Services.
