To whom it may concern

We the committee of the Rhebogues Meadows Residents and Landlords Association on behalf of our Residents and Landlords in our estate, have one observation on the taking into charge our estate by Limerick City and Council.

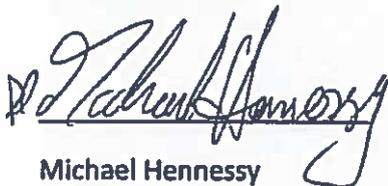

There is currently a link road (spur road) in our estate going towards, Anglers Walk, Cois Abhainn, Brook Road, River Road.

We have a concern under Public Health and Safety over any future development or future completion of this link road (spur road)

Negotiations in the past between City Council and ourselves has ment the road has not been completed and we would like this status quo to remain long term into the future.

Yours sincerely

The committee

Michael Hennessy
