Re: Update on Ballyvareen Estate, Kildimo.

A Chomhairleoir, a chara,

The estimated cost for the completion of Ballyvareen was €282,300 and the bond was in the amount of €160,000 leaving a shortfall of €122,300. The Water Services and Roads Engineers will now have to prioritise the works required for the development in line with the available budget from the bond.

I understand from the Water Services Department that tenders are being sought for design consultants for the treatment system.
