Report on taking in charge of An Curran, Pallaskenry

A snag list of outstanding works was issued to the developer of the above estate who has informed the planning section that the works are complete.

The Area Engineers, Roads and Water Services, have been requested to inspect the estate and confirm that the works are complete and that the estate has been finished to a satisfactory standard for taking in charge.

Once this confirmation is received the formal taking in charge process will commence.

Veronica Ronan,
Planning and Environmental Services.
