STRATEGIC POLICY COMMITTEES

A Chomhairleoir, a chara,

The Strategic Policy Scheme was formally adopted by the Council and nominations from the Farming / Agricultural, Business Employers and Trade Union Pillars and the Public Participation Network (PPN) have already been received and approved by Council.

Correspondence has now been received from the Secretariat of the Public Participation Network (PPN) nominating Ms. Anne Gaughan, Local Link Limerick to the Travel and Transportation SPC representing the Community / Voluntary Sector.

The attached table gives the updated position of nominations to the various Strategic Policy Committees received from the PPN, for your information.

While the formal appointment of Sectoral Interests to Strategic Policy Committees is a Reserved Function, the Guidelines for Public Participation Networks received with Department of the Environment, Community and Local Government Circular CVSP1/2014 in Section 2.3 state *"The PPN will be the main channel through which people will be selected to participate in various processes of the County / City Councils and their Boards / Committees. Participants will be chosen by the PPN and should not be rejected by the County Council or any of its structures"*.

The approval of the Council is hereby sought to the appointment of Ms. Anne Gaughan, Local Link Limerick to the Travel and Transportation Strategic Policy Committee representing the Community / Voluntary Sector,

Is mise le meas,

Tom O'Callaghan,
Administrative Officer,
