**TO: The Cathaoirleach and Each Member of the Municipal District of**  
**Cappamore-Kilmallock**

At a meeting of the municipal district of Cappamore-Kilmallock held on Thursday September 15th, 2016, the elected members allocated the sum of €10,000 from the GMA to Age Friendly Limerick. The funding was to be used to provide Age Friendly seating in a number of locations (to be confirmed) across the municipal area. To date that money has not been spent.

I am requesting the approval of the elected members to take the following approach, in order to bring the project to a conclusion in a timely manner:-

Councillors wishing to avail of the funding, will notify me by June 23rd, 2017 of the locations in which they wish to have seating placed, together with contact details for the local community/tidy towns group etc. who will be involved in the installation, upkeep and maintenance of the seating. I will then make direct contact with that group and assist them in completing a formal application for funding. The fund of €10,000 can then be divided equally between all successful applicants, and the works can commence within a matter of a few weeks.

It is proposed to place a plaque measuring approximately 6 x 3 inches (15 x 7½ cm) on each seat, I would request that the members approve the following wording "This Age Friendly seating was provided by the Cappamore-Kilmallock Municipal District 2016/17" The Age Friendly and LCCC logos would also be placed on the plaque.
