Good Friday, 3rd April 2015

On Good Friday, 3rd April a massive clean-up day in both Limerick City and County will take place. Known as Team Limerick Clean-up ('TLC'), we are urging you to join up and make your community spotless!

The TLC initiative is sponsored by the JP McManus Benevolent Fund and will be co-ordinated by Limerick City and County Council with the support of Mr Binman; the Limerick Leader and Live 95FM.

This has to be one of the most exciting campaigns ever to hit Limerick, and we hope people will come out in force to do their bit to clean up the environment. It only requires a few hours of your time on Good Friday and getting involved promises to be great fun as well as very worthwhile. Volunteers can sign up easily here or simply call the helpline on 061 496200

You can also access our information pack on-line and get some great tips for collecting litter as well as downloading an event poster to distribute in your area.

The clean-up packs will be available for collection closer to the event at selected outlets throughout the city and county so keep an eye on the website for the pick-up locations!
