**Re: Upgrading of Garda Vehicles at Croom Garda Station**

---

Dear Tom,

I refer to the above and your office minute of the 18<sup>th</sup> May 2017, the content of which is noted.

I have reviewed the joint policing protocols in relation to this matter and I'm firmly of the view that such a motion does not come within the ambit of the protocols and I fail to see the appropriateness of this motion insofar as the Municipal District of Adare-Rathkeale is concerned.

The allocation of vehicles within the Garda Division of Limerick is an internal Garda issue that is done in a holistic manner taking into account all the policing elements within the Division.

Yours sincerely
