

"Smoky" Coal: City & Suburbs

Don't market it!

Don't sell it!

Don't distribute it!

Don't burn it!

If you do, you are contributing to the creation of an environmental and health hazard in your community and your city.

Fines of up to €5,000 apply

under the Air Pollution Act, 1987 and the Air Pollution Act (Marketing, Sale, Distribution and Burning of Specified Fuels) Regulations, 2012 (S.I. No. 326 of 2012)

Limerick City & County Council Planning & Environmental Services Department,
Dooradoyle Road, Dooradoyle, Limerick V94 WV78

"Smoky" Coal: City & Suburbs

Sneeze, Wheeze and Unease!

If you burn "smoky coal", you are contributing to the creation of an environmental and health hazard in your community and your city. In particular, you are increasing the risk of hospital admission for those with respiratory difficulties.

Don't Burn It!

Fines of up to €5,000 apply

under the Air Pollution Act, 1987 and the Air Pollution Act (Marketing, Sale, Distribution and Burning of Specified Fuels) Regulations, 2012 (S.I. No. 326 of 2012)

"Smoky" Coal: City & Suburbs

Thousands of good reasons not to sell or distribute!

If you market, sell or distribute 'smoky' coal in the city and surrounding area, apart from contributing to the creation of an environmental hazard, you could end up out of pocket.

Spot-Fines of €1,000 apply

under the Environment (Miscellaneous Provisions) Act, 2015

Court Fines of up to €5,000 apply

under the Air Pollution Act, 1987 and the Air Pollution Act (Marketing, Sale, Distribution and Burning of Specified Fuels) Regulations, 2012 (S.I. No. 326 of 2012)

Limerick City & County Council Planning & Environmental Services Department,

"Smoky" Coal: City & Suburbs

Don't burn it!

If you do, you are contributing to the creation of an environmental and health hazard in your community and your city. Those with respiratory conditions can experience severe discomfort, with longer-term effects when out and about on cold winter days as a result of the illegal burning of 'smoky' coal by a small minority of householders.

Fines of up to €5,000 apply

under the Air Pollution Act, 1987 and the Air Pollution Act (Marketing, Sale, Distribution and Burning of Specified Fuels) Regulations, 2012 (S.I. No. 326 of 2012)
