Statement from Limerick Ladies Football regarding Junior County Final:

Limerick Ladies Gaelic Football board would like to clarify and provide context to the Junior final fixture which has been fixed for next Saturday Sept 16th at 9 am. At the August county board meeting, Groody Gaels notified all clubs that due to clash with an international women's rugby tournament, Groody Gaels would request a new date for the junior final, should Groody Gaels reach the final. Every possible alternative date was suggested by Limerick Ladies Football board during protracted discussions at the September county board meeting, but Gerald Griffins could not accommodate any of several suggested new dates, between Sept 10th and Dec 31st - citing player availability. The county board were left with no option but to hold the final on Sept 16th. In light of this, and to give both teams the best opportunity to field at full strength, the final has been fixed for 9 am on Saturday Sept 16th. However, as the winners do not proceed into the Munster Championship, there is no urgency in getting the fixture completed. Limerick Ladies football Board would still welcome a new date being agreed between both clubs that would allow for the throw in to take place at a more suitable time.
