Re: Traffic Calming at Kilcornan

A Chomhairleoir, a chara,

Limerick City and County Council officials met recently with Transport Infrastructure Ireland (TII) on 12th October 2017.

At this meeting, TII requested further design details for the scheme submitted in July of this year. These design details are currently being finalised. TII did undertake to give a quick decision on the proposed scheme once these minor details are submitted, subject to funding being available.

Is mise le meas,
