Working Groups

A Chara,

I wish to refer to previous discussions in relation to the JPC Strategic Plan. As you are aware, the Plan is set out under four strategic themes as follows:

1. Enhanced governance and communication supported by information and effective use of resources.
2. Enhancing the role of local communities in crime prevention and response.
3. Working with communities to improve cohesion, social inclusion and reduce anti-social behaviour.
4. Improving traffic flows and road safety.

As discussed at the previous meeting, it was agreed that a Working Group would be put in place to promote the actions under each of the themes. It is proposed, therefore, that 4 Working Groups be set up, each to be comprised as follows:

- 1 nominee from An Garda Síochána.
- 1 official from Limerick City and County Council.
- 1-2 Councillors.
- 1 PPN representative.

Nominees to be submitted for approval for the next JPC Meeting.

Is mise le meas,

Christy O'Connor,
Senior Executive Officer,
Corporate Services.
