Dear Mr O'Callaghan,

I refer to your recent communication in relation to a request for a staff member of Irish Water to attend a meeting of the Adare Rathkeale Municipal District Council.

Unfortunately it is not possible to arrange for a representative of Irish Water to attend this meeting. To facilitate any water services related queries, Irish Water hold regular Councillor Clinics in all Local Authorities. An invite for the next Clinic in Limerick will be issued to all Councillors one week in advance of the date.

Irish Water personnel are available on the day to provide updates relating to Water Services in the County and discuss any queries that may arise. Our next Clinic in Limerick is on Monday, 22nd January.

Irish Water is aware of ongoing sewage odours in Askeaton, Co Limerick and is working to address these odours. Irish Water and Limerick City and County Council are engaging with private developers in this regard and will provide an update at our next Councillor Clinic in January.

I trust you find the above information helpful. Thank you for contacting Irish Water.

Yours sincerely,

Claire Hennessy
