

5th April 2016

To: The Mayor and Each Member of the Metropolitan District of Limerick

It is intended that the following proposed Disposal of Land will be included on the Agenda for the May Council Meeting:

Disposal of 0.0116 Hectares to John Scanlon at Mungret Woods, Dromdarrig, Mungret, Co. Limerick.

The Council sold a site to John Scanlon as part of the 7 sites that had been identified for disposal by the Council at Mungret College in 2016. Following construction of the access road/footpath, there is a surplus area of land between Mr. Scanlon's site and the footpath.

It is in order for this surplus land to be transferred to Mr. Scanlon so that the boundaries of Mr. Scanlon's site align with the newly constructed access road/footpath.

The consideration is € 1.

Jayne Leahy,
Head of Property Services.
