**To: Each Local Authority**

A Chairde,

At the Sligo Municipal District Meeting held on 26<sup>th</sup> March 2018, the Members agreed the following resolution:

*"That Sligo County Council hereby calls on the Gaelic Athletic Association to ensure any matches broadcast on channels requiring subscription fees are also made available on free to air television in order to allow access for everyone in the country to view matches. This should be done in order to reflect that the GAA is a unique part of Irish culture which belongs to the Irish people and has been built by their efforts along with significant State investment from taxpayers money."*

It was agreed to circulate the motion to all Local Authorities for their information and consideration.

**Re: SAC's & NHA's**

A Chara,

I wish to inform you that at the March meeting of Leitrim County Council the Members unanimously passed the following resolution:-

**"That Leitrim County Council write to the Department of Agriculture, Food and the Marine to protest against the Department's dictatorial actions, per the National Parks and Wildlife Service and other agencies, in designating large areas of our County as SACs , NHAs, etc. The scientific basis for such designations has not been explained to the people of County Leitrim and neighbouring counties and such designations are proving to be detrimental and limiting for the incomes and the livelihoods of people in such areas. I request that this motion be forwarded to other Local Authorities seeking their support."**

I look forward to hearing from you in this regard.

Yours sincerely,
