Report on Taking-In-Charge of Deel Manor, Askeaton

A Chomhairleoir, a chara,

Planning and Environmental Services are of the opinion that the roads and services are completed to a satisfactory standard for taking in charge. The treatment plant is temporary and must remain in place until such time as the Askeaton Sewerage System is put in place. There is a substantial bond in place to cover any maintenance and repairs that may be required for the treatment plant.

Is mise le meas,

**Veronica Ronan,
Staff Officer,
Planning and Environmental Services.**
