Dear Ms. Butler,

I refer to your correspondence addressed to Ms. Alison Flynn, Environmental Health Officer (dated the 11th of May 2017) in relation to a Limerick City and County Council notice of motion concerning sewage treatment issues at Askeaton town.

The issues outlined by you in your letter are obviously of concern from an Environmental Health and Public Health viewpoint and any prioritised remedial actions taken to address these issues would be welcomed.

I will also forward a copy of your correspondence to the Limerick City and County Council Environment Section for their attention.

If I can be of further assistance please do not hesitate to contact me at the above address.

Yours sincerely

Andrew Curtin
Principal Environmental Health Officer
