**MEETING OF THE MUNICIPAL DISTRICT OF CAPPAMORE-KILMALLOCK TO BE HELD
ON THURSDAY 18TH OCTOBER, 2018**

Question submitted by Councillor G. Mitchell

I will ask at the next Meeting of the Municipal District what is update in taking in charge of Cluain Foinse Estate in Hospital.

REPLY:

A schedule of works has been agreed with the bond holder and we are awaiting payment of the bond. Once this payment is received the Council will arrange for the estate to be completed to a taking in charge standard. Upon completion of these works the formal taking in charge process will be commenced.

**MEETING OF THE MUNICIPAL DISTRICT OF CAPPAMORE-KILMALLOCK TO BE HELD ON
THURSDAY 18TH OCTOBER 2018**

Question submitted by Councillor Michael Donegan

I will ask at the next meeting of the Municipal District for an update on the speed limit review and when can we expect the review to be completed.

REPLY:

Operations and Maintenance Central Services will be returning to all Municipal Districts in the next few weeks with a report on the objections and submissions received as a result of the public consultation of the draft speed limit byelaws. Following this, a new revision of the draft byelaws will be prepared for submission to the full council meeting in either December or January.

**MEETING OF THE MUNICIPAL DISTRICT OF CAPPAMORE-KILMALLOCK TO BE HELD ON
THURSDAY 18 October 2018 AT 3:30 PM**

Question submitted by Councillor Brigid Teefy

I will ask at the next meeting of the Municipal District that some action be taken to help with the parking at Cahercorney Graveyard on the R514 road.

Reply:

Cahercorney Graveyard is located on R514 regional road, approximately 2 km to the north of Herberstown. The graveyard is now closed to the public. However, there continues to be a small number of burials each year for people with family plots.

There is no car parking available at the graveyard. The alignment of the R514 is poor with bends on either side of the graveyard. The road is narrow with a continual white line. The nearest safe parking spot is located 200 metres to the east of the graveyard in front of a private dwelling.

The Council will investigate the option of providing 4-6 car parking spaces at the graveyard. This will require the acquisition of a small amount of land to the west of the graveyard and the replacement of the existing hedgerow with suitable fencing.

It would not be economically viable to widen a longer section of the R514 to accommodate the very occasional large funeral. However, it would be possible to provide active traffic managements for funerals. This would require a traffic management plan agreed with the Kilmallock Roads Engineer.

In order to progress the provision of car parking spaces, the Area has applied for funding under the 2019 Low Cost Safety scheme.
