Re: Traffic Calming at Kilcornan

A Chomhairleoir, a chara,

The Part 8 drawings are currently under review by the TII Road Safety Engineer. They are expected to revert to Limerick City and County Council shortly. The Part 8 will then be advertised and an information session will be scheduled locally in Kilcornan. Design Consultants have been engaged to prepare tender documents. Topographical and site investigation surveys should commence in the coming weeks.

Is mise le meas,
