Re : Opera Site Development at Bank Place, Patrick Street, Rutland Street, Michael Street and Ellen Street Limerick – Application by Limerick City and County Council to An Bord Pleanála in accordance with Section 175 of the Planning and Development Act 2000

Dear Sir/Madam,

I write on behalf of the International Rugby Experience in support of the objective of this proposal which is to regenerate the city centre.

This project will increase footfall and activity in the city centre and is a much needed investment in an area of the city which has been dilapidated for far too long.

The International Rugby Experience supports the principle of regeneration of the Opera Site and looks forward to its advancement as early as possible.

Yours faithfully,

Paul Foley
