

**MEETING OF THE MUNICIPAL DISTRICT OF CAPPAMORE-
KILMALLOCK TO BE HELD ON THE 18th JULY 2019**

Question submitted by Councillor Michael Donegan

“I will ask at the next meeting for an update on the recent visit to Transport Infrastructure Ireland.”

REPLY:

The meeting between TII and a delegation from Limerick City & County Council has not taken place as yet, and arrangements are in train.

Limerick City and County Council have written to TII with a list of agenda items and a list of proposed attendees as received from the Municipal Districts. It is expected that the meeting will occur shortly after the summer period.

Brian Kennedy,

Director of Services
