MUNICIPAL DISTRICT OF NEWCASTLE WEST

MEETING TO BE HELD ON WEDNESDAY 3rd JULY, 2019

Notice of Motion submitted by Councillor J. Scanlan

I will move at the next Meeting that the yield sign on the Bruff Line entry to the Bridge of Tears roundabout Newcastle West be replaced with a stop sign in the interests of safety.

REPLY:

Roundabouts are installed in areas where there are a number of roads of equal status coming together. The yield system works best for roundabouts with motorists giving way to traffic coming from the right.

However the road markings at this roundabout will be checked and relined if necessary.

**MEETING OF THE MUNICIPAL DISTRICT OF NEWCASTLEWEST TO BE HELD ON
WEDNESDAY, 3RD JULY, 2019**

Notice of Motion submitted by Councillor Liam Galvin

I will move at the next Meeting that a public lighting scheme be put in place at Snow's Cross, Ballingarry, in the interest of safety.

REPLY:

Snow's Cross, Ballingarry is a Rural Junction of Regional Road R520 Newcastle West Road & R519 Ballingarry Road. There is no existing lighting near this location. It is policy not to install lighting in isolated rural locations. There has been no recorded accidents at this location according to the Road Safety Authority collision statistics for 2005-2015. A scheme of the nature requested could cost in the region of €100,000. There is no capital budget to available to install new public lighting schemes.

Meeting to be held on Wednesday 3rd July, 2019

Notice of Motion submitted by Councillor L. Galvin

I will move at the next Meeting that this Council discuss the proposed procedure for the completion of documentation by undertakers prior to the opening of a grave for burial with the Elected Representatives and undertakers before this new procedure is enforced

REPLY:

Currently funeral directors in Limerick City and environs provide information in advance of all interments. For the effective management and operation of all graveyards it is essential that this procedure is introduced across the City & County. This will provide greater clarity for funeral directors and families as well as ensuring correct records are maintained.

The Council will arrange regional meetings to inform funeral directors on this new procedure.

Gordon Daly,
Director of Service,
Social Development Directorate.
