It is intended that the following proposed disposal of land will be included on the Agenda for the November Council Meeting:

- Disposal of Council Property at 36 Cecil Street for €90,000 to Tait House Community Enterprise CLG.

The sale of this property was undertaken by way of an Expression of Interest process which was widely advertised. A signboard was erected on the property. An advert was placed on Power Property website, daft.ie and my home.ie. An advert was placed in the Limerick Leader and also in the Irish Independent in January, 2019. A final date for receipt of submissions was set for 25<sup>th</sup> January, 2019.

An email was sent to all Members on the 30<sup>th</sup> November, 2018 advising them in relation to the Expression of Interest process for this land.

One application was subsequently withdrawn in April, 2019.

The applications included a mix of proposed uses ranging from commercial, residential, youth theatre, hostel, performance area, arts and cultural use, recording studio.

The recommendation of the Evaluation Committee was to accept the offer made by Tait House Community Enterprise CLG for the property subject to the standard approval procedures.

The Expressions of Interest received were analysed based on the following criteria:

2.0	Timeframe for Development and occupation	30%
3.0	Support of the Development Plan	30%

The opportunity to purchase this property would enable Tait House to create a link to the City (City Centre Hub) and vice versa for the residents of Southill and its hinterlands through the engagement in its expressive arts programmes which began in 2017. Tait House has a long track record in training provision and has been the vehicle for training innovation in partnership with key stakeholders including the Department of Employment Affairs and Social Protection and the Limerick and Clare Education and Training Board.

The current occupant of the building - the Limerick Theatre and Performance Hub Ltd., t/a The GAFF, has been in occupation of the building since 2014 and it is proposed that they will remain in the building under a licence agreement from Tait House. The Council has received correspondence dated 8<sup>th</sup> April, 2019, from the GAFF, stating that they fully support the Expression of Interest submitted by Tait House Community Enterprise CLG (THCE).

Tait House are proposing to undertake repairs and refurbishments works in year 1 to the value of €50,000.

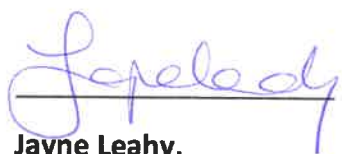

Tait House is working with the Gaff and other groups such as the College Players, 061 Recordings, Music Generation, to build cultural capacity in regeneration areas. Movement between these city spaces and community spaces will create a physical connectivity and reduce gaps between regeneration and the City as a whole.

The property in question is not required by the Council for any of its functions.

The consideration for the property is €90,000.

I have also attached for your information further information circulated to the Members of the Metropolitan District of Limerick, by email, on the 20<sup>th</sup> September, 2019.
