Limerick City & County Council. On-site Treatment Systems for Single Houses. List of Site Assessors

This is a list of Site Assessors who:

1) Have obtained the QQI or FETAC certificate in Site Suitability Assessment for On Site Wastewater Treatment & Disposal
2) Have up to date Professional Indemnity Insurance and have provided evidence of same to the Council
3) Have signed up to a code of professional conduct

This list is open to any person who meets these criteria and who wishes to be included on it. Planning applicants may have their sites assessed by people other than those included on the list, but are advised that it is in their best interests to satisfy themselves that the person is appropriately qualified and insured.
