**Meeting of the Municipal District of Cappamore-Kilmallock to be held on Thursday 21st
November, 2019.**

Notice of Motion submitted by Councillor Martin Ryan

I will move at the next meeting of the Cappamore-Kilmallock Municipal District that, following the recent completion of the Speed Limit Review, that the Municipal District prepare a scheme to identify, prioritise and fund the provision of Driver Speed Feedback Warning signs in all villages and towns in the Municipal District which do not already have Driver Feedback Warning signs in place.

Reply:

Driver Feedback signs are located in many of the towns and villages in the Cappamore Kilmallock Municipal District, and in particular at all school locations.

Limerick City & County Council will carry out a full survey of all locations in the Cappamore Kilmallock Municipal District and revert with a report on same for the January 2020 meeting.

Signed: 

Brendan Kidney,
Senior Executive Engineer,
Operations & Maintenance,
Kilmallock District Office.

Meeting of Municipal District of Cappamore/Kilmallock

21st November 2019

Notice of Motion by Councillor M. Donegan

"I will move at the next meeting of the Cappamore/Kilmallock Municipal District that Limerick City and County Council close the access pathways at the rear of Cois Abhainn and Deebert Close estates in Kilmallock due to ongoing anti-social behaviour."

Reply:

The Estate Management Unit of the Council is currently engaging in consultations with residents of both estates regarding this matter. At a meeting with a number of residents from Deebert Estate last week it was agreed, because of the number of entry and exit points to and from the estate, that they would consult further among themselves and revert with a submission detailing what actions they consider the Council could take to improve the situation. It is recommended that the result of this be awaited before any action is considered.

Signed: _____

**Meeting of the Municipal District of Cappamore-Kilmallock to be held on Thursday 21st
November, 2019.**

Notice of Motion submitted by Councillor Brigid Teefy

I will move at the next meeting of the Cappamore Kilmallock Municipal District that Limerick City and County Council put traffic calming measures in place in the Ardykeohane area of Bruff on the R516 road to Hospital as this is a very busy road and narrows down in a section between two bends on the outskirts of the town.

Reply:

A Traffic Count was carried out on this road last year and Traffic Counters were placed on the Hospital side of Bruff GAA Field. The results of this Traffic Count are attached and indicate that nearly 80% of the traffic was outside the speed limit at this location.

As part of the Section 38 proposed for Bruff village, Limerick City & County Council have included for a raised speed table to be placed on the junction with the R512 but not further out the R516. Provision for the placement of a speed cushion inside the speed limit on the R516, as an amendment to the current Section 38 proposal, could be considered but would be subject to the provision of additional funding to carry out these additional works.

Signed: 
Brendan Kidney,
Senior Executive Engineer,
Operations & Maintenance,
Kilmallock District Office.
