Re : Adare Twinning Project with Buckow, Germany

A Chomhairleoir, a Chara,

Adare Community Council has a twinning arrangement with Buckow in Germany. The main objective of this twinning is a mutual desire to broaden respective horizons and to enhance the lives of both communities.

Adare Community Council received funding from Limerick City and County Council in 2016 and 2018 to cover costs incurred in travelling to Buckow for attendance at a festival and twinning events.

Four members of Adare Community Council travelled to Buckow as part of the twinning project from 21st to 23rd June, 2019.

The total cost incurred by the Adare Community Council for travel to Buckow was €1,879.92. It is recommended that the Council funds 50% of this expenditure.

Therefore, the Council's approval for the provision of financial assistance to Adare Community Council in the amount of €939.96 towards the cost of this twinning initiative is required.
