To: Butler, Karen
Subject: Irish Water

Dear Ms Butler,

Thank you for your recent communication in relation to the sewerage scheme in Askeaton, Co Limerick.

I have received an update advising Irish Water is continuing to advance the planning and design for the Askeaton Waste Water Treatment Plant project. There is currently no scheduled timeline for this to progress to construction.

Thank you for contacting Irish Water, if you have any further queries please do not hesitate to contact us.

Yours sincerely,

Donough Leahy
