**Limerick City and County Council**

**Meeting of Cappamore/Kilmallock Municipal District**

**16<sup>th</sup> January 2020**

---

**Question submitted by Councillor PJ Carey**

**I will ask at the next Meeting can Limerick City & County Council investigate ways to prevent the illegal grazing of horses in the people's park in Kilmallock, specifically by closing off some entry points.**

**Reply:**

**The Environment Section of the Council has responsibility for tackling problems associated with the illegal placing of horses on public lands. Housing Support Services assist, should ownership of horses be traced back to Council tenants. Discussions have been held with residents in Deebert and Cois Abhann estates regarding the possibility of closing or restricting access points in the vicinity of both and it is hoped that proposals can be developed which will have the support of the majority of residents and elected members.**

## Limerick City and County Council

### Meeting of Cappamore/Kilmallock Municipal District

16<sup>th</sup> January 2020

#### Question submitted by Councillor Brigid Teehy

I will ask at the next Meeting when will the newly appointed Estate Management Officers be commencing in their positions and will there be a designated Estate Management position appointed to the Cappamore/Kilmallock Municipal District.

#### Reply:

The Estate Management Unit of the Council is being re-constituted as the Community Sustainment Unit. Additional staff, to be known as Community Sustainment Officers, have been/are being put in place. Full details in relation to their role will be circulated to all members of the Council shortly. Ms. Kate Janeczek has been appointed to one of these positions, with specific responsibility for the Cappamore/Kilmallock Municipal District and she will henceforth be the designated contact person for the District. She can be reached at [kate.janeczek@limerick.ie](mailto:kate.janeczek@limerick.ie)
