Full Meeting of Limerick City and County Council
To be Held on 27th of January 2020**

Question submitted by Councillor E. Secas

I will ask at the next Meeting if the Council has a legal base for the CCTV in the City and County and is GDPR compliant.

Reply:

We received legal advice that the Council has a legal base for the use of CCTV under various acts such as the Local Government Act 2001, Waste Management Act 1996, Housing (Miscellaneous Provisions) Act 2014, etc. We have made significant efforts to review our processes, governance and policies to become GDPR compliant. We are still awaiting the response from the Data Protection Commissioner .

COUNCIL MEETING TO BE HELD ON MONDAY 27TH JANUARY

Question submitted by Councillor E. O Donovan

I will ask at the next Meeting for a detailed breakdown of expenditure relating to Limerick Council Christmas festivities in 2019.

REPLY:

Limerick City and County Council support Christmas festivities in a number of ways; programmes of festive activities including "Light up Limerick" and "Christmas in Limerick", a multi-media campaign to promote Limerick, the provision of Christmas Festive lighting and free car parking. Christmas in Limerick was launched in November with a programme of 100's of events across Limerick City and County. The Christmas in Limerick festivities culminated on December 31, with a family friendly New Year's Eve Fireworks Display at 7pm.

Limerick Tourism, Culture and Arts Department oversaw the programme of activities for 2019 Light Up Limerick Event, the provision of Christmas trees in the City and some Christmas in Limerick activations, and the spend was €117,626. The spend on the New Year's Eve Fireworks were €55,430.

The Marketing and Communications Department managed the design, printing and distribution of the Christmas in Limerick brochure and complemented this with a multi-media campaign to promote Limerick as a destination for festive shopping and activities over an 8 week period. The campaign included social, digital, radio, print and press and the spend was €46,908. New Christmas in Limerick marketing initiatives for 2019 included collaborations with the University of Limerick, Limerick Milk Market, Dublin Coach, Limerick Chamber and the Irish Independent all of which were FREE.

There were collaborative marketing opportunities with Fáilte Ireland, which were also availed of at no cost.

The Christmas Festive Lighting, which included the provision of lights, installation, illumination, taking down and storage and the spend was €105,535.

Free car parking was provided at Cleaves, O'Callaghan Strand, the Council Car Park, via Nicholas Street and the Irish Rail Depot, Roxboro Road.

COUNCIL MEETING TO BE HELD ON MONDAY 27 JANUARY 2020.

Question submitted by Councillor E. Ryan.

I will ask at the next Meeting what was the cost of horse collection and disposal over the past five years, the number of horses involved and the locations; also, what is the percentage of horses which had valid documentation/microchips/passports.

REPLY:

The information as requested is laid out in the Table below. The proportion of horses that are microchipped prior to being seized is very low, averaging just 14% of horses seized over the five-year period. The number of horse owners who provided supporting documentation such as horse passports is negligible.
