“I will ask at the next meeting a progress report be provided on the Plan to provide a public park in Pallaskenry”

REPLY:

Limerick City and County Council (LCCC) support the proposal to create a public park in Pallaskenry. Preliminary discussions with the project promoters, Pallaskenry Community Development Association have taken place. These discussions will be advanced with a view to defining the area of land to be included in the park having regard to proposals for Council housing to the north of LCCC's land holding along the public road.
