NOTICES OF MOTION

19. Notice of Motion submitted by Councillor J. Leddin

I will move at the next Meeting that Limerick Metropolitan Council consider the placement of signalised pelican crossings and / or zebra crossings on both the Dooradoyle Road close to Huntsfield Roundabout and also on the Mulcair Road near Stoneyhurst to facilitate the safe crossing of elderly and school children living in the area.

20. Notice of Motion submitted by Councillor D. Butler (to be referred to the Travel and Transportation Strategic Policy Committee)

I call on Limerick City and County Council to create a parking permit system for vans used by construction workers and trades people carrying out works in city centre buildings. This is to support the renovation and re-imagining of our city centre buildings as without this it makes it unattractive for those trades to take up work in the city centre.

I call Limerick City and County Council to look at developing a policy on how to enforce a minimum standard of shop front signage to ensure the attractiveness of our city.

22. Notice of Motion submitted by Councillor S. Hartigan

I will move at the next meeting of the Metropolitan District of Limerick that Limerick City and County Council compiles data on the levels of overcrowding amongst people on the housing list and makes publicly available figures on persons per room, persons per bedroom, and unit square footage per person.

23. Notice of Motion submitted by Councillor S. Hartigan

I will call upon Limerick City and County Council to join the University of Limerick Student Life's calls on the Interim President of UL, Prof. Kerstin Mey, Chancellor Mary Harney and the University's Governing Authority to implement a rent freeze across all University owned accommodation and cancel the plans to turn single occupancy rooms into twin (shared) rooms which are clearly inadequate in terms of space and privacy, a proposal which because of the COVID-19 pandemic is now due to come into effect in the 2021/2022 academic year.

28. Notice of Motion submitted by Councillor S. Novak Uí Chonchúir (to be referred to the Travel and Transportation Strategic Policy Committee)
