**MEETING OF THE MUNICIPAL DISTRICT OF CAPPAMORE-KILMALLOCK TO BE HELD ON 17<sup>th</sup>**  
**SEPTEMBER 2020**

Notice of Motion submitted by Councillor P J Carey

I will move at the next Meeting of the Municipal District of Cappamore-Kilmallock that Limerick City and County Council write to landowners in the District with trees on road verges that are deemed a safety hazard to the public, requesting them to remove or prune same as soon as possible.

**REPLY:**

Where there are concerns in relation to trees or hedging posing a potential hazard or threat to persons using a public road, the respective landowner can be contacted in relation to these concerns under Section 70 of the 1993 Roads Act requesting that:

‘The owner or occupier of any structure and the owner or occupier of any land on which a structure is situated shall take all reasonable steps to ensure that the structure or the use of the structure is not a hazard or potential hazard to persons using a public road and that it does not obstruct or interfere with the safe use of a public road or the maintenance of a public road.’

The respective landowner is then given a number of weeks to undertake follow up remedial action or make contact with the Municipal District Office in relation to it. However if this does not happen, then the road authority may serve a notice in writing on the owner or occupier of the structure or on the owner or occupier of any land on which the structure is

situated to remove, modify or carry out specified works in relation to the structure within the period stated in the notice.

To this end, in cases where Elected Members or the general public are aware of such issues regarding trees and vegetation, the contact details and addresses of such landowners should be provided to the Municipal District Office so that follow up action can take place to resolve such an issue.

## LIMERICK CITY AND COUNTY COUNCIL

### MUNICIPAL DISTRICT OF CAPPAMORE-KILMALLOCK

**MEETING TO BE HELD ON Thursday, 17th September, 2020**

#### **Notice of Motion submitted by Councillor M. Ryan**

I will move at the next meeting that TII and Limerick City and County Council review the safety of the pedestrian crossings on the N24 at Pallasgreen and Oola, do they need to be upgraded to Stop/Go lights and also to review the traffic calming measures in Pallasgreen and Oola.

#### **Reply:**

The pedestrian crossings and traffic calming measures at Pallasgreen and Oola will be reviewed by a Road Safety Auditor from Central Services. The review report will be submitted to the Municipal District in Q4

**Signed**

## **MEETING OF THE MUNICIPAL DISTRICT OF CAPPAMORE-KILMALLOCK TO BE HELD ON 17<sup>th</sup> SEPTEMBER 2020**

### **Notice of Motion submitted by Councillor Brigid Teefy**

I will move at the next Meeting of the Municipal District of Cappamore-Kilmallock that adequate funding be sought as a matter of urgency to carry out the necessary Remedial and Safety works at Holy Cross on the R512.

### **REPLY:**

Some funding has been allocated towards this scheme from the Development Fund in line with a previous design done for the junction between the R512 and L1502. This, however, would only be a percentage of the original estimated project completion cost at the time so additional funding will therefore be required to undertake the project.

It is also now intended to lengthen the original design to include the junction between the R512 and the L1500 and L1412 at Holycross. At present, the Municipal District Office is arranging for the procurement of Consultants to amend the original design to incorporate this. Upon completion of same, the revised scheme will be procured to determine budget allocation required for it

## **MEETING OF THE MUNICIPAL DISTRICT OF CAPPAMORE-KILMALLOCK TO BE HELD ON 17<sup>th</sup> SEPTEMBER 2020**

### **Notice of Motion submitted by Councillor Gerald Mitchell**

I will move at the next meeting of the Municipal District of Cappamore-Kilmallock that a survey and inspection of all Limerick City and County Council road signs in the District be carried out immediately in the interests of safety for all road users.

### **REPLY:**

An undertaking was given in 2018/19 to undertake the mapping of all road signage in the Cappamore Kilmallock Municipal District Area, which is still on going.

In 2019, all Road "Warning" and "Safety" signage on Regional Roads were inspected and vegetation around same removed, signs cleaned and in some cases replaced. This process will again be undertaken in the last quarter of 2020 as part of the Roadworks Programme.
