RE: Sale of Council Lands in Pallaskenry

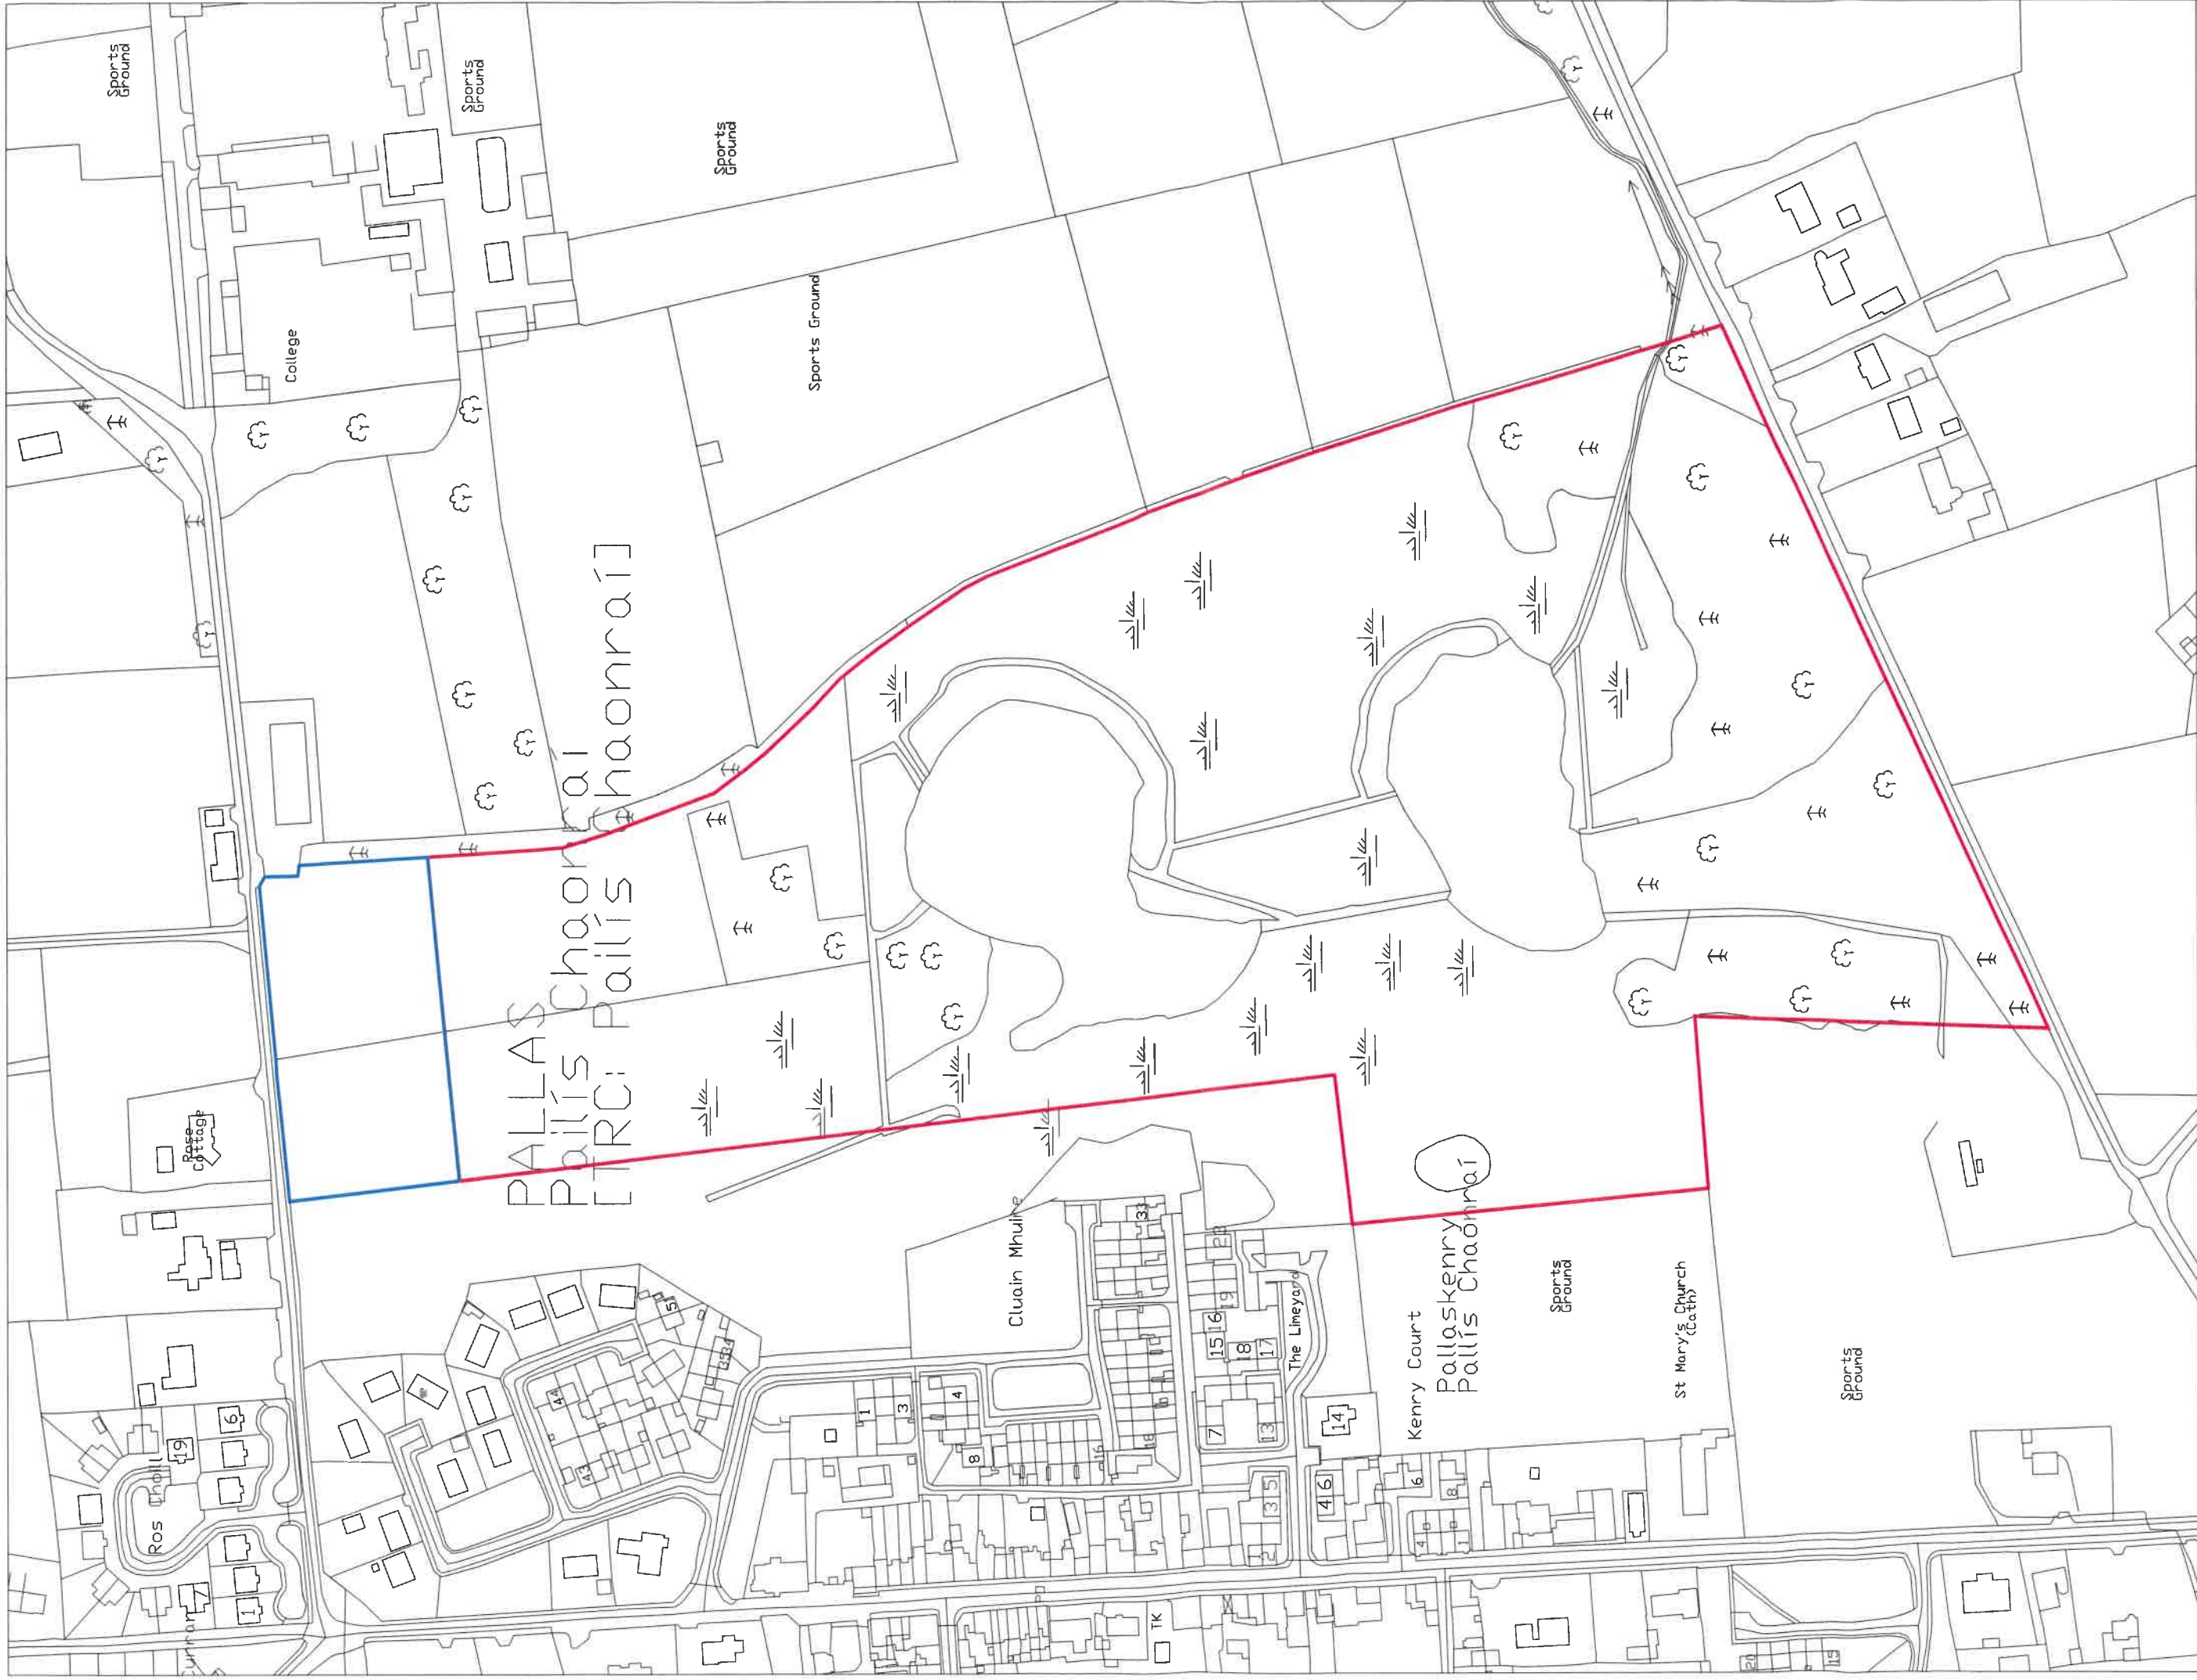

A Chomhairleoir, a chara,

Community Development met with the Pallaskenry Development Association on 29th July in the Pallaskenry Community Centre to discuss their proposals for the proposed project to the east of the village on Council lands. At this meeting the group were informed that the Council were looking at an area to the north of the site as a potential site for housing. It was confirmed with the group at this meeting that Community Development would provide them further information in this regard. The attached map outlines the area to the north of the site, required for housing as confirmed by Design and Delivery Directorate and was sent to Pallaskenry Development Association on 11th August 2020.

Community Development are presently engaging with the group in relation to the successful Town and Village project and this is the priority at present taking into consideration Department of Rural and Community Development project deadlines. Community Development will meet with the group in the near future with a view to progressing the project to the east of village.

Is mise le meas,

Tom Joyce
