MEETING TO BE HELD ON TUESDAY,

10TH NOVEMBER, 2020

Question submitted by Councillor J. O'Donoghue

I will ask at the next Meeting for an update on the progress on traffic calming in Banogue Village, Fedamore Village and the L1419 from the roundabout at the N20 towards Ballingarry.

REPLY:

In relation to traffic calming in Banogue Village, the MWRDO have received TII Approval for the preferred tenderer and are currently in the process of awarding the contract.

In relation to traffic calming in Fedamore Village, an application has been made for a Low Cost Safety Scheme in Fedamore. This incorporates raised tables and driver feedback signs.

In relation to the L1419, a speed survey will be carried out on this road in the coming weeks and, should the survey prove a warrant, traffic calming designs will be considered.
