**MEETING OF THE MUNICIPAL DISTRICT OF CAPPAMORE-KILMALLOCK TO BE HELD ON
Thursday 10th of December 2020**

Question submitted by Councillor Michael Donegan

I will ask at the next meeting of the Municipal District of Cappamore-Kilmallock for an update on the planned replacement of the existing public light fixtures/bulbs on the main streets in Kilmallock.

REPLY:

These works commenced last week and in total twenty no. existing public lights will be upgraded along Sarsfield Street before the end of January 2021.

Brendan Kidney,
Senior Executive Engineer,
Operations & Maintenance Services,
Cappamore Kilmallock Municipal District

**MEETING OF THE MUNICIPAL DISTRICT OF CAPPAMORE-KILMALLOCK TO BE HELD ON
Thursday 10th of December 2020**

Question submitted by Councillor Michael Donegan

I will ask at the next meeting of the Municipal District of Cappamore-Kilmallock for an update on the planned replacement of the existing old and damaged street signage in Kilmallock town.

REPLY:

These works were commenced prior to works on Road Schemes in early 2020 however were not completed due to on-set of Covid. Upon resumption works commenced immediately on the Road Scheme works and only finished in the last week or two so the Roads Team did not get an opportunity to return to signage works. It is intended that these signage works in Kilmallock town will commence again in the new year.

**MEETING OF THE MUNICIPAL DISTRICT OF CAPPAMORE-KILMALLOCK TO BE HELD ON
THURSDAY 10TH DECEMBER 2020**

Question submitted by Councillor M Ryan

I will ask at the next Meeting of the Municipal District of Cappamore Kilmallock when the upgrade of street lighting will commence in the Cappamore/Kilmallock area?

REPLY:

Limerick City and County Council is participating in the South West Region Public Lighting Energy Efficiency Project that is being managed by the Road Management Office & Cork County Council. This project is currently at tender stage and it is expected that a contractor will be appointed in Q2 2021. A detailed programme of works is not yet agreed, but it is anticipated the replacement of lights in Limerick will commence later in 2021.

Trevor McKechnie Senior Executive Engineer

**MEETING OF THE MUNICIPAL DISTRICT OF CAPPAMORE-KILMALLOCK TO BE HELD ON THE
10th DECEMBER, 2020.**

Question submitted by Councillor M Ryan

Can I ask if there is any progress in plans to establish a Civic amenity centre in the east of the Cappamore/Kilmallock area

Reply:

The Southern Region Waste Management Office has recently completed a review of Civic Amenity Centres, as part of a national process. The next step in the review process is that all Civic Amenity Centres will be classified and mapped. This will facilitate the determination of whether and where new Civic Amenity Centres may be required.

It is anticipated that this process will be undertaken in 2021.

A copy of the Review document is available from the Southern Region Waste Management Office.

Brian Kennedy,

Director of Services

7th December, 2020.

**MEETING OF THE MUNICIPAL DISTRICT OF CAPPAMORE-KILMALLOCK TO BE HELD ON
Thursday 10th of December 2020**

Question submitted by Councillor Brigid Teefy

I will ask at the next Municipal District meeting of Cappamore-Kilmallock that consideration be given to carrying out improvement works at the bad bend on the Lough Gur to Holy Cross road L1500.

REPLY:

These works would need further exploring due to their location in Lough Gur. The possibility of undertaking major excavation works here maybe limited in particular with the policies to support and conserve the archaeological, architectural, environmental and cultural features of Lough Gur. This was further evident as part of the Part 8 planning procedure that was undertaken as part of the development of the shared use road at this location.

Brendan Kidney,
Senior Executive Engineer,
Operations & Maintenance Services,
