Questions submitted by Councillor T. Ruddle

12. I will ask at the next Meeting that the Council consider speed reduction ramps for the Glebe estate Monagea. The residents have signed a petition with over two thirds looking for a ramp to slow cars down coming into this estate. It is particularly dangerous with the number of small children playing in the estate. Could this be looked at as a priority as it is an accident waiting to happen.

13. I will ask at the next Meeting that the Council consider a speed reduction ramp towards the top of the Woodfield Drive estate, Newcastle West. I have previously drawn attention to this with the residents signing a petition, with over two thirds looking for a ramp to slow cars down driving into the estate.
14. I will ask at the next Meeting that the Council consider replacing the footpath from Heaphy's Garage on the N21 to the Brothers of Charity Newcastle West as the current footpath is a hazard for walkers.
