

# LIMERICK URBAN CENTRE REVITALISATION

## O'CONNELL STREET- PHASE 1

### WEEKLY BULLETIN

WE 21/02/21

#### UPDATE:

ShareRidge are still awaiting easing of the Governments current COVID-19 restrictions before we are in a position to announce a start date.

As part of the upcoming works on O' Connell Street, we will be carrying out Property Condition Surveys on the externals of all of the buildings located adjacent to the works.

We will also be carrying out Condition Surveys on the basements which run underneath O'Connell Street. We will be contacting these individuals premises separately to organise these surveys.

Prior to works commencing on site, we will also be photographing the existing Street and we will carry this out each month for the duration of the job to show the "before and after" and to record the progress

**Should you have any queries in relation to the works, please do not hesitate to contact our Project Manager or Public Liaison officer on the details below**
