1. Introduction

Limerick and Clare Education and Training Board (LCETB) have recently been granted Planning Permission for a new school building for Mungret Community College, at Mungret College lands.

2. Key Elements of Proposal

The Council propose to dispose of a 10 acre site for a consideration of € 450,000 (€45,000 per acre).

3. Executive Recommendation to Council

This area of land has been identified for a number of years for the provision of a new campus for Mungret Community College and I recommend that this proposal would be included on the Agenda for the next Meeting of Limerick City & County Council.
