+Limerick CityEngage Week 3 Take Control of Your Energy

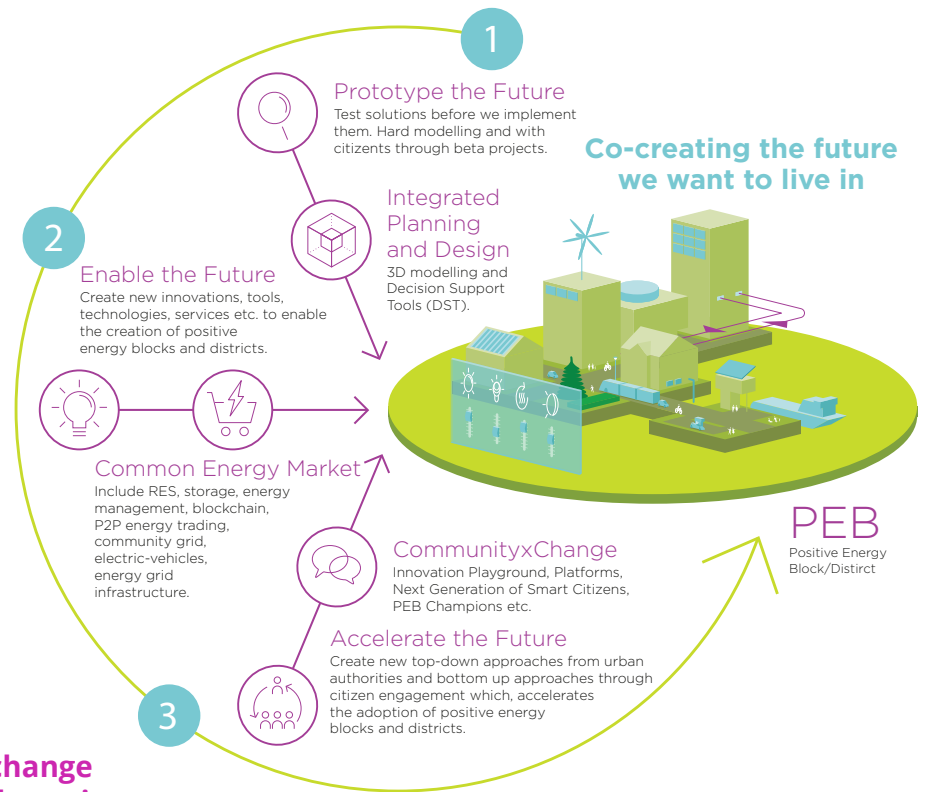

26th – 30th April 2021

+CityxChange City Engage Week 3 kicks off on Monday April 26th and the theme for this week of events is Community Energy: whether it be at an individual, business or community level, we can take steps towards a clean energy model.

In recent weeks the +cityxchange team has recruited 24 Positive Energy Champions who have volunteered to take a journey with us over twenty weeks and explore how they can reduce their carbon footprint, making changes to how they consume energy.

City Engage Week will see the Champions receive training and take part in workshops which will support them on their energy journey.

You can follow their experiences at www.limerick.ie/cityxchange @Smart_Limerick or using the hashtags #positiveenergychampions #positivelimerick #bethechange

+Limerick CityEngage Week 3 Events

Monday 26th April

De-carbonising Business - An Post Story

Dr. Stephen Kinsella, Associate Professor of Economics at the University of Limerick's Kemmy Business School, talks to Mr. Finbarr Power, An Post Energy Officer, about An Post's focus on de-carbonising operations and the roll out of electric vehicles in Limerick.

Time: 1.00pm to 1.45pm
+Limerick Partners: UL / LCCC / An Post

Tuesday 27th April

SEAI, Supports for Retrofit, Renewables and Sustainable Energy Communities

Learn how SEAI support homeowners, businesses, communities and industry to reduce their energy costs and greenhouse emissions.

Time: 1.00pm to 1.45pm
+Limerick Partners: LCCC / SEAI

Tuesday 27th April

Gkinetic Update on Shannon Turbine Project

Local company GKinetic Energy is a leading developer of innovative turbines that generate clean energy from flowing water. As part of their ongoing involvement in the +CityxChange project they are hosting an event to share key updates and progress of their work to install turbines in the River Shannon and see clean, renewable energy generated in the very heart of the city!

Time: 7.00pm to 7.45pm
+Limerick Partners: Gkinetic / LCCC

Wednesday 28th April

Empowered Communities in Limerick

Limerick runs on the power of its communities. We bring together six successful Limerick City community leaders to learn how their groups have survived and thrived over the past year, and examine how their experiences could translate in the formation of an Energy Community in Limerick.

Time: 7.00pm to 7.45pm
+Limerick Partners: Space Engagers / LCCC

We also have some great public events where you can share your ideas and learn about energy options for yourself, your business or community.

All events are FREE and must be booked on Eventbrite, go to www.limerick.ie/CityxChange for details.

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 824260.
