**Question from Cllr Kevin Sheahan :**

I will ask at the next meeting that the Housing Section of the Council would provide us with an up to date account of the no of vacant houses in Askeaton owned by the Council and an indication of what has to be done to prepare these houses for letting.

**Answer:**

The five vacant LCCC properties in Askeaton require works in order to be allocated. Two will fall under the Buy & Renew Scheme. One is an Approved Housing Body Disposal, one is to be funded under the Traveller Accommodation Programme and the remaining one will be funded under the VOIDS 2021 Programme.

**Meeting of the Municipal District of Adare Rathkeale  
to be held on 29<sup>th</sup> June, 2021**

**Question submitted by Councillor Bridie Collins**

I will ask at the next meeting of the Adare Rathkeale Municipal District that Limerick City and County Council requests the executives or management of Irish Water attend the June meeting to discuss the ongoing issues with water and waste water issues in the District

**Reply:**

Please note below the response received from Irish Water.

“Unfortunately, Irish Water staff are not available to attend the Adare-Rathkeale MD meeting on this date.

However, the next Councillor Clinic is scheduled for Monday, June 28 at 10am and our staff will be available to deal with any queries the Councillors may have. Members are welcome to send in questions in advance to [localrepssupport@water.ie](mailto:localrepssupport@water.ie) and we will endeavour to provide responses at the clinic.”
