Question from Cllr. Gerald Mitchell:

I will ask at the next meeting that Portaloo's be placed outside Playgrounds and areas of consistent gatherings in the Cappamore/ Kilmallock District until such time as toilets are provided in County Limerick where needed.

Answer:

In relation to Playgrounds , at present it is not considered that Portaloo's are necessary notwithstanding the current level of use ,however , the Council will keep it under review and should the situation change , the Council can revisit the proposal . As local facilities continue to re-open in line with the continued easing of restrictions the need for temporary Portaloo's is lessening .

Question submitted by Councillor Gerald Mitchell

“I will ask at the next meeting of the Cappamore-Kilmallock Municipal District that road signs be inspected in the Cappamore-Kilmallock District and are fit for purpose in the interests of safety.”

REPLY:

Road signs are erected in accordance with Chapter 8 of the Traffic Signs manual which is a national guidance document. If Councillor Mitchell could give specific concerns and identify locations where he feels there is a signage issue, we will review the signage to ensure it complies with National Policy.

**MEETING OF THE MUNICIPAL DISTRICT OF CAPPAMORE-KILMALLOCK TO BE HELD ON
THURSDAY, 17TH OF JUNE 2021**

Question submitted by Councillor Michael Donegan

“I will ask at the next meeting of the Cappamore-Kilmallock Municipal District if Limerick City & County Council plan to modify the footpaths in Bruff to make them wheel chair friendly from Ardykeohane to the main street in the town.”

REPLY:

The Cappamore-Kilmallock Municipal District Office has received some funding through Active Travel Measures to undertake these type of works to existing junctions and footpaths within towns and villages. A schedule of works/schemes will include this area and it is expected that the modifications will be completed by the end of 2021.

**MEETING OF THE MUNICIPAL DISTRICT OF CAPPAMORE-KILMALLOCK TO BE HELD ON
THURSDAY, 17TH OF JUNE 2021**

Question submitted by Councillor Michael Donegan

“I will ask at the next meeting of the Cappamore-Kilmallock Municipal District for an update on the planned replacement of the existing old and damaged street signage in Kilmallock town.”

REPLY:

The Cappamore Kilmallock Municipal District Office commenced works on this project last year prior to Covid 19 and did not get to finish proposed works due to other on-going projects and Road Works Scheme jobs. It is proposed to complete the signage project by the end of this year.
